## Cancellation Policy

All passengers' names should be entered & matched exactly as it appears on the passport i.e. complete GIVEN NAME & LAST NAME. Middle name if any should be added after First/Given Name separated by a blank space. All confirmed airline trips are 100% non-refundable. In certain cases, your request for cancellation and refund may be granted by the airline if you cancel the trip by calling our customer service department before 24 hours of the scheduled departure. However, partially used tickets (in case of one way, round trips and multi city trips) can neither be cancelled nor refunded. A non-refundable ticket may only be exchanged for a new one at the equal or higher fare, not at lower fare, for traveling with the same airline on some other date. Exchange of non-refundable tickets is subject to airlines' service policy. Airlines levy a penalty, and a fare difference may arise during exchange of non-refundable tickets. Usually, the credit for such tickets is valid for a limited period of time. You are required to check and confirm the specific expiry date with the airline directly. You must book a trip with the same airline, using the credit and paying the airline's penalty as well as an additional amount (in case of fare increase) within the expiry date, to avoid the loss of the credit. We cancel a confirmed trip only if it is permitted by the relevant airline. Usually, confirmed itineraries are not changeable. We can process your request for a change in the details of a confirmed trip (for example, change of travel dates or departure point or arrival point or entire route) with the airline, but it is subject to the airline's policy. If the requested change in your itinerary is permitted, then airline penalty, fare difference, and a change / exchange fee by us are applicable. Please contact our travel specialists to know the total cost of exchanging your trip for a new trip with the requested change in the itinerary details. We reserve the right to levy a service fee per ticket for rendering our services towards cancellation of a confirmed booking, modification of date in a confirmed booking, and exchange of non-refundable tickets. \$30 per ticket is our service fee for cancellation within the void window of 24 hours from the time of booking. We levy a service fee up to \$100 per ticket if you cancel a confirmed booking after expiration of the void window. By accepting [Indian Eagle's terms of service](#), you agree to authorize us to levy our service fee. Our service fee (which does not include airline penalty and fare difference) is subject to change at any time and without notice. Be advised to contact us to
